Nordco	G2 Ballast Regulator	572

Serial #	810163
Year	2002
Engine	John Deere 6068T Turbocharged 185 hp

## G2 Ballast Regulator

The Nordco Model G2 Ballast Regulator is a high production ballast regulator designed for the next generation. New and innovative features further enhance a field-proven, rugged and powerful Nordco ballast regulator design. The result is the most productive, cost effective and reliable ballast regulator available today.

- Wrap-around glass provides excellent operator visibility to maximize productivity
- Quiet 71-dBA sound level inside the cab improves operator comfort
- Pressurized, sealed cab provides a dust free, climate controlled working environment
- Superior ergonomic design utilizes joysticks and electrical switches to control all machine functions
- Cab-controlled attachment locks enhance operator efficiency
- Efficient, four-speed transmission shifts with ease assisted by air powered shift cylinders
- LED indicator lights at electrical junctions for efficient and quick trouble shooting
- Hydraulic system filtration to ISO 14/11 for clean running oil
- Sound dampened engine package minimizes environmental noise
- Low height for ease of transport by tractor trailer
- 1.5 cubic yard capacity heavy-duty ballast wings and a high capacity, one-pass transfer plow maximize productivity
- Efficient fully reversible brooming with 228 solid rubber hose elements mounted on a 9-foot wide spiral-type reel
- 4-wheel hydrostatic travel system, 35 mph (56 km/h) top speed, 50 mph (80 km/h) optional

# G2 Ballast Regulator Specifications

## General

Weight . . . . .48,000 lbs (21,820 kg)  
Length . . . . .414 inches (10516 mm)  
Width . . . . .128 inches (3251 mm)  
Height . . . . .130 inches (3302 mm)  
Max Travel Speed\*\* . .35 mph (56 km/h)

## Capacities

Fuel Tank (Diesel).....145 Gallons (548L)  
Hydraulic Tank . . . . .86 Gallons (325 L)

## Engine

Make/Model . . . . .John Deere 6068T  
Type . . . . .Turbocharged  
Continuous BHP . . . . .185 hp

## Electrical System

Voltage . . . . .24V
